

Sue

Sue is married to Clive and is the landlady of The Hill House Inn.

She shares all the concerns of Clive and is vociferous about that fact that such a small village has in fact 17 listed buildings of which a number are at risk.

" In this small area where we are located there is St Mary's Church which is Grade I listed as well as our pub and Thrums, belonging to Denise and Stephen Burke, which are both Grade II."

"It is all a tragedy waiting to happen"
